Greetings All!

Once again, the Highlands Chapter, NWTF is asking for your support by coming to our 2019 Hunting Heritage Banquet and Art Auction. We have new items in our core package including sculptures, prints and collectibles. But, if you are running out of space for our great items, accept our **Chapter Challenge**, and bring a friend or two so they can start their collection and learn what the NWTF is all about.

We'll have some great games and prizes you will not find in any other event. So, come on down, have a fun evening and a great dinner.

Why should you attend?

Because You Do Make a Difference!

Your continued support of the NWTF is creating a legacy you can all be proud of. The projects supported by your contributions benefit not only the wild turkey but many other species of wildlife here in New Jersey.

Your donations help to acquire, preserve, and enhance wildlife habitat, restore wild turkey populations, fund youth education and mentored hunting programs, provide scholarships, support outreach programs for youth, women and disabled sportsmen, and help to preserve our Hunting Heritage.

SAVE THE HABITAT - SAVE THE HUNT

The **Save the Habitat, Save the Hunt** initiative is a bold new effort from the NWTF that will conserve or enhance 4 million acres of critical upland habitat, create 1.5 million new hunters and create access to 500,000 new acres for public hunting over the next decade.

On behalf of the NWTF, we would like to thank you for the generous support you have given us over the past 23 years. We look forward to seeing you again at this year's event.
